## CARATTERISTICHE DEI SISTEMI DOCCIA / SHOWER SYSTEM FEATURES

### MULTI-JETS

Docce multifunzioni che combinano nello stesso prodotto fino a quattro getti acqua differente. Pioggia / nebbia / cascata / laminar con diverse intensità e sensazioni sull pelle.

Multi function shower, up to four different water jets in the same product. Rain / Cascade / Mist / Laminar different intensity and sensation on the skin.

### ACQUA RING

Sistema di distribuzione dell'acqua all'interno dei soffioni doccia per massimizzare la funzionalità del prodotto a diversi livelli di pressione dell'acqua. Ottimizza la performance con consumo d'acqua limitato anche su docce di grosse dimensioni.

Water distribution system inside the shower to improve performance in any water pressure condition. Better water jet and saving consumption even on big sizes products.

### ANTI-DROP

Sistema di anti gocciolamento dei soffioni alla chiusura dell'acqua. Garantisce arresto immediato getto a pioggia consentendo all'utente di asciugarsi all'interno del box doccia senza problemi.

Water stop system to avoid dropping from the shower after closing the mixer. This allow to stay inside the cabin after having a shower to dry yourself in warmer place without any problem.

### ANTICALCARE / ANTI-LIMESTONE

Sistema avanzato di membrane in gomma con soluzione anticalcare. Ugelli a sezione conica evitano depositi all'interno delle cartucce rendendo più facile operazioni di pulizia e ripristino getto d'acqua ottimale.

Advanced system of rubber carpet with conic nozzles for easier cleaning operation to restore water jet.

### POWER BULB

Luci led da 3watt a bassa tensione 12v. Potenza luminosa amplificata da lente ottica per proiezione effetto cromatico fino al piatto doccia. Faretti impermeabilizzati per massima sicurezza.

3 watt power led light with low voltage 12v. Equipped with optical lenses to improve light effect till the shower tray. Waterproof led bulb for maximum safety.

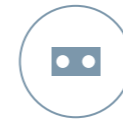

### REMOTE CONTROLLER

Controllo luci con pulsante impermeabile per installazione all'interno del box doccia. Effetto anello led per facile localizzazione anche con le luci del bagno spente.

**Fornito dall'azienda.**

Led lights control with waterproof button to install inside the shower cabin. Led ring effect on the button for easy localization also with bathroom's light switched off. **Included.**

### ELECTRONIC DIVERTER

Controllo a due pulsanti per luci led e deviatore elettronico per cambio getto soffioni multifunzione. Unico pulsante per comandare fino a 3 getti alternati, sistema intuitivo che facilita anche operazioni di installazione grazie a kit elettrovalvole con un solo ingresso acqua.

**Fornito dall'azienda.**

Remote controller with two button, led lights control and electronic diverter to select water function. Single button to switch between up to 3 different water jets. Easier installation with single water inlet on electrovalves kit.

**Included.**

### ON/OFF SYSTEM

Elettronica semplificata per luci led predisposta per interruttore standard da installare fuori dal box doccia. Effetto luminoso con rotazione automatica colori.

Soluzione ideale per ambienti pubblici come hotel e centri benessere.

**Non fornito dall'azienda.**

Basic electronic for led lights set for standard switch to install outside shower cabin. Led light effects with automatic colours changing. Ideal solution for hotels, spa and wellness center. **Not included.**

## REMOTE CONTROLLER

### **PULSANTIERA 1 TASTO:**

pulsantiera in acciaio inox fornita dall'azienda per gestione luci.

### **REMOTE CONTROLLER 1 BUTTON:**

stainless steel plate, supplied from the factory, for led light colour selection.

### **PULSANTIERA 2 TASTI:**

pulsantiera in acciaio inox fornita dall'azienda per gestione luci e funzioni acqua.

### **REMOTE CONTROLLER 2 BUTTON:**

stainless steel plate, supplied from the factory, for led light colour selection and water jet switch.

### **PULSANTIERA QUADRATA:**

pulsantiera in acciaio inox fornita dall'azienda per gestione luci collezione Modula.

### **REMOTE CONTROLLER SQUARE:**

Modula collection stainless steel plate, supplied from the factory, for led light colour selection.

### **PULSANTIERA TONDA:**

pulsantiera in acciaio inox fornita dall'azienda per gestione luci collezione Ninfea.

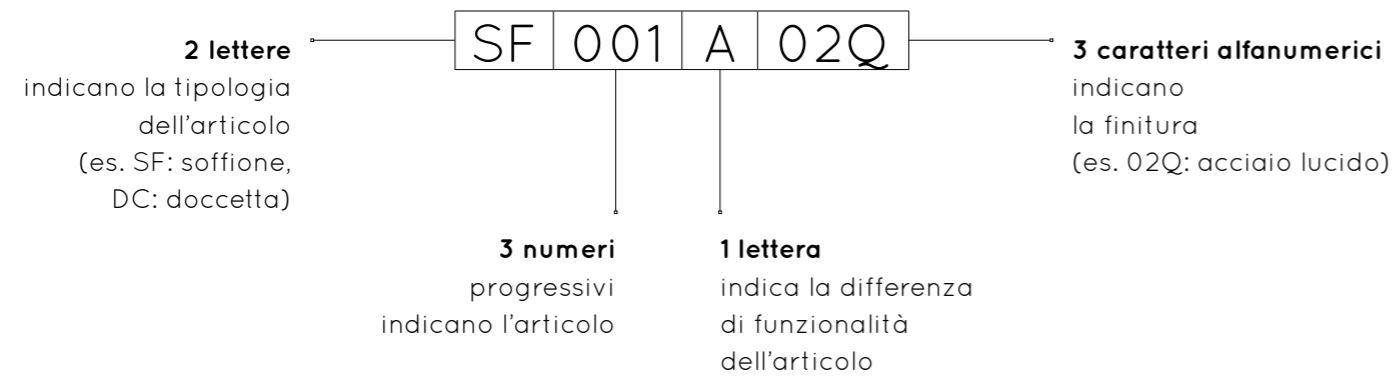

### **REMOTE CONTROLLER ROUND:**

Ninfea collection stainless steel plate, supplied from the factory, for led light colour selection.

# M

## Modula

### **SINTESI PERFETTA SMART SYNTHESIS**

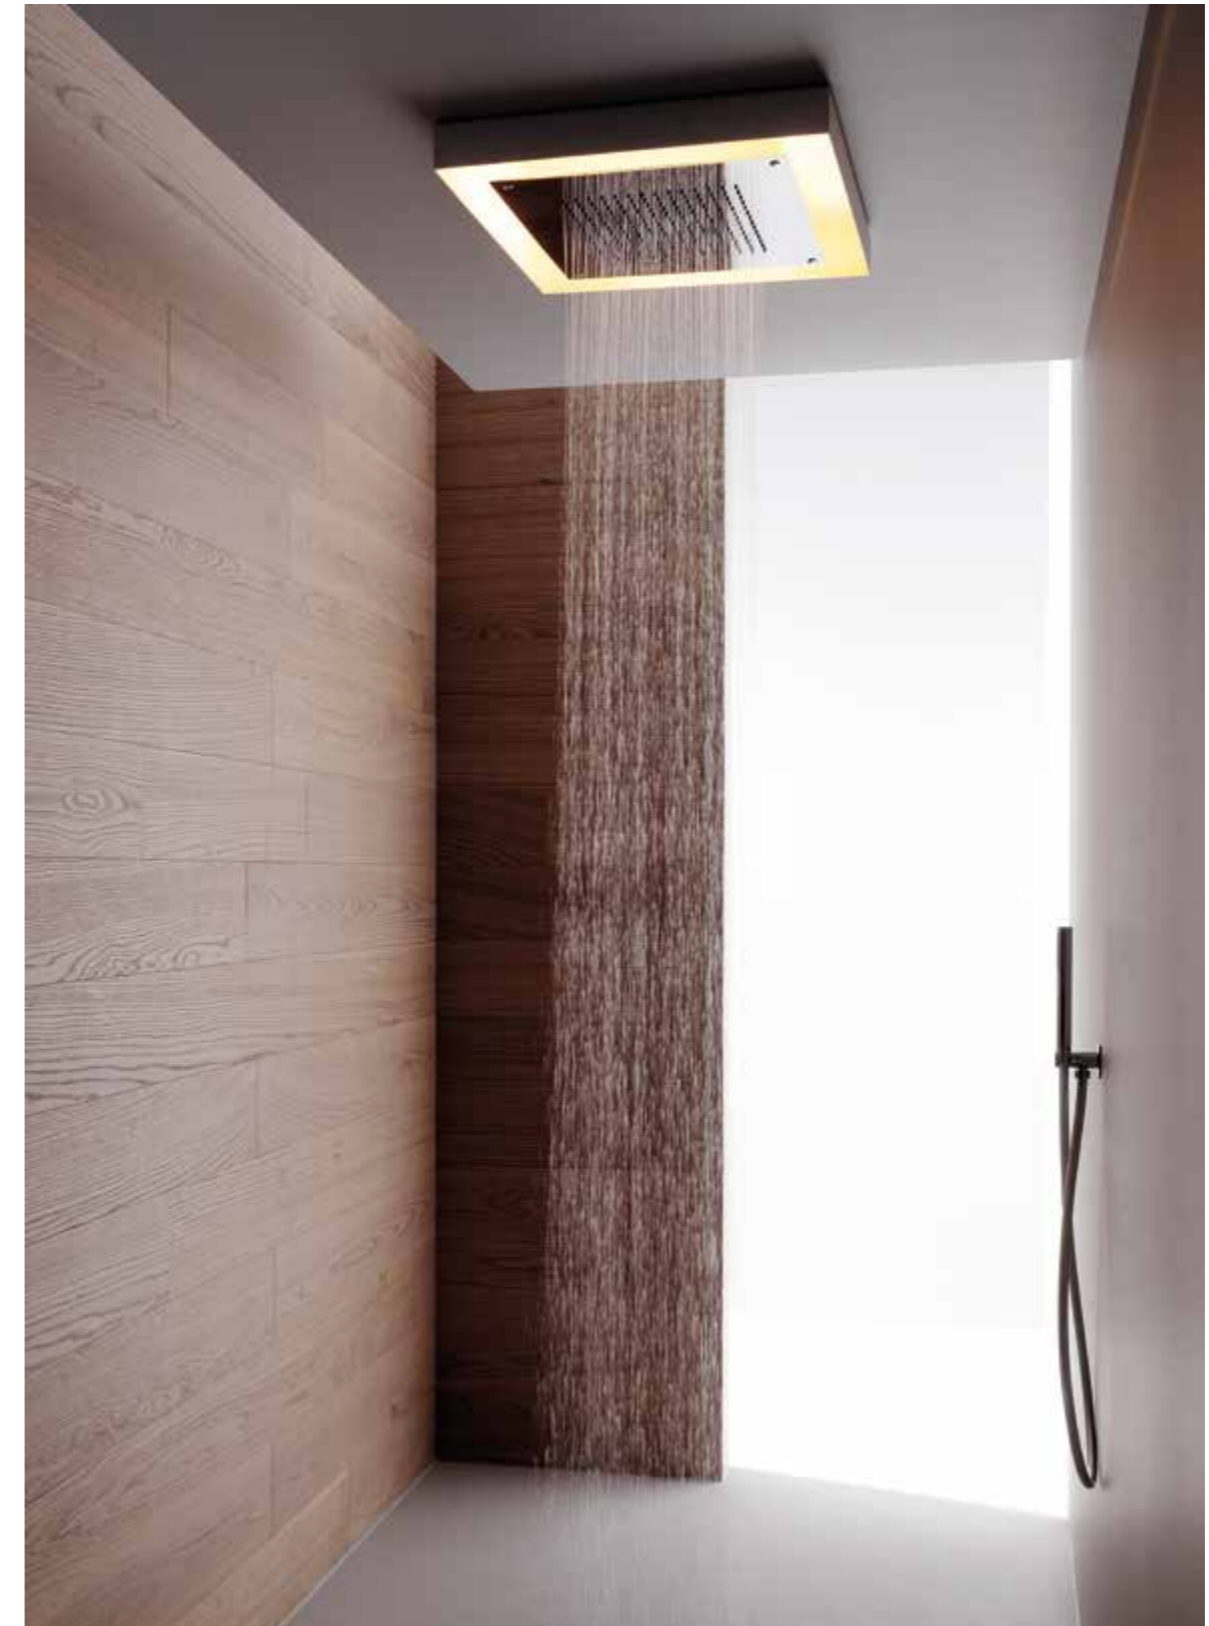

Una collezione di soffioni dalla forma quadrata, incassati nel soffitto, che associano un design minimale ad un'estetica elegante, linee rigorose e geometriche scaldate dalla luce a led che racchiude un contenuto tecnologico orientato al massimo risparmio idrico. Una sorgente di acqua e luce avvolgente e rilassante, entrambe modulari e personalizzabili, ideale in ambienti domestici come in contract di lusso.

Modula it's a smart synthesis of the fusion of water and light.

Square rainshower collection with minimalistic design and elegant aesthetic.

Strict geometric lines warmed by led lights hides an high technology hearth focused on water saving.

Water and light spring with enchanting and relaxing effect for luxury homes and contract design.

**Soffione a incasso a controsoffitto 620x620 mm**  
False ceiling shower head 620x620mm

**Art. SF131 B**

4 funzioni: pioggia / cascata / 2 nebulizzatori / pioggia energy  
Ingresso acqua da 1/2"  
Led RGB  
Con pulsantiera per accensione luci  
Trasformatore a basso voltaggio (12V)  
Necessaria installazione miscelatore 4 vie  
Il carter esterno è sempre fornito bianco opaco

4 jets: rain / waterfall / mist / energy rain  
1/2" Water inlet  
Led RGB  
With remote control light switch  
Low voltage transformer included (12V)  
Must be matched with mixer with 4 outlet  
Exethernal box is always matt white

<b>02Q</b>	Acciaio lucido - Mirror steel	€ 3.100,00
<b>03Q</b>	Acciaio spazzolato - Brushed steel	€ 3.720,00
<b>04Q</b>	Bianco opaco - Matt white	€ 4.030,00
<b>05Q</b>	Nero opaco - Matt black	€ 4.030,00

**Art. SF131 D**

4 funzioni: pioggia / cascata / 2 nebulizzatori / pioggia energy  
Ingresso acqua da 1/2"  
Led RGB  
Necessaria installazione interruttore on/off per accensione luci  
Trasformatore a basso voltaggio (12V)  
Necessaria installazione miscelatore 4 vie  
Il carter esterno è sempre fornito bianco opaco

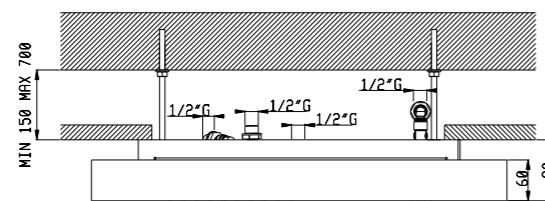

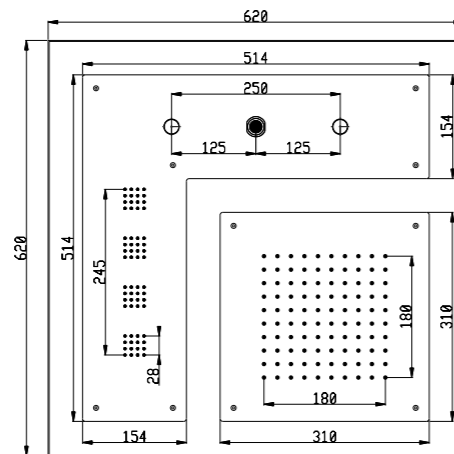

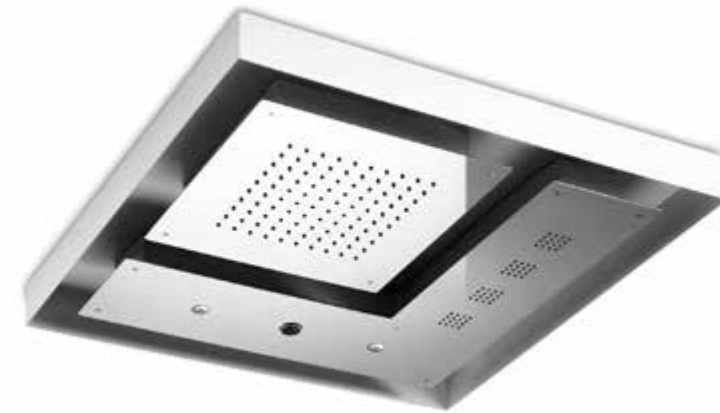

4 jets: rain / waterfall / mist / energy rain  
1/2" Water inlet  
Led RGB  
Control key for switch on/off light required, installation outside shower cabin  
Low voltage transformer included (12V)  
Must be matched with mixer with 4 outlet  
Exethernal box is always matt white

## Ninfea

### **NATURA, BELLEZZA E PUREZZA NATURE, BEAUTY AND PURY**

Ninfea, nato da un progetto del designer Alessandro Canepa. Un concept nuovo, un nuovo modo di vivere l'esperienza doccia. Le varie funzioni del soffione tradizionale vengono scomposte per poi riaccostarsi, a piacimento, come le foglie di una ninfea. La natura, con la sua bellezza e purezza, diviene motivo ispiratore mentre forma e funzione si fondono insieme dando vita ad un vero e proprio percorso di benessere fatto di acqua, luce e suoni.

Ninfea, was created from a project by Alessandro Canepa. A new concept and a new way of experiencing the shower. The various functions of the traditional shower head are broken up and then put back together at will, like the leaves of a water lily.

Nature, with its beauty and purity, becomes an inspiring motif while shape and function blend together, bringing to life a veritable path of wellbeing made of water, light and sounds.

Club

## **INCROCI DI LINEE SOTTILI CROSSINGS OF THIN LINES**

Club soffiioni proiezione di superfici,  
prolungamento di parete e soffitto in un  
design dalla forte personalità.

Piani paralleli a entrambe le superfici  
creano spazio per integrare funzioni acqua  
e realizzare le nostre docce.

Club showers as projection of surfaces,  
extension from wall and ceiling into a  
design icon.

Plans parallel to both surface to make  
space for water functions and create  
showers.

## IL PERCORSO BENESSERE NELLA TUA DOCCIA WELLNESS EXPERIENCE IN YOUR SHOWER

Praticità della miscelazione termostatica integrata con deviatore elettronico touchscreen. In aggiunta funzioni SPA con quattro programmi automatici di variazione getti acqua e effetti cromoterapia. Sistema audio bluetooth per esperienza sensoriale totale: suoni, luci e feeling sulla pelle.

Trasforma la doccia di casa in un ambiente da centro benessere. Doccia tradizionale e percorso emozionale in un unico prodotto.

Practical thermostatic mixer combined with touchscreen electronic diverter. Plus SPA functions with 4 automatic programs with variation of water function and light effects. Bluetooth speakers system for total experience: sounds, lights and feelings on the skin.

Transform your home shower in a wellness centre area. Traditional shower and wellness experience in a unique product.

DETAILS

KTO36 A

**Miscelatore termostatico ad incasso con controllo capacitivo delle funzioni acqua, luci, suono e programmi SPA**

- maniglia tonda di regolazione della temperatura
- possibilità di avere in contemporanea 4 uscite acqua
- cromoterapia
- 4 programmi SPA (circa 2 minuto ciascuno)
- tasto attivazione Bluetooth (solo per KT035A)
- placca in vetro temperato retroilluminata 320x80 mm

**Dati Tecnici**

- pressione idraulica minima 2.5 bar dinamici
- pressione idraulica massima 5 bar dinamici
- pressione idraulica consigliata 3 bar dinamici
- entrate miscelatore G 3/4"
- uscita miscelatore G 3/4"

**Dati Tecnici centralina**

- tensione di alimentazione 220 Vac
- frequenza 50 Hz
- corrente assorbita 220Vac min. 10 mA / max. 300 mA
- potenza max. 48 W
- grado di protezione IP56

L'alimentazione alla tastiera capacitiva e al soffione è in bassa tensione 12Vcc SELV derivata da un trasformatore installato esternamente.

**Condizioni Ambientali**

- umidità 80%
- temperatura massima: 55° C

**Dati Tecnici tastiera**

- alimentazione 12Vcc / 5Vcc
- potenza max. 200 mA (12Vcc)
- grado di protezione IPX6

**Dati Tecnici Led RGB:**

- corrente massima assorbita 800 mA (12Vcc)

**Built-in thermostatic mixer with capacitive touchscreen for selection of water jet, led lights and SPA programs**

- round handle to adjust water temperature
- 4 outlets can be open together
- chromotherapy
- 4 SPA programs (2 minutes each)
- bluetooth activation (only for KT035A)
- glasspad with backlight 320x80mm

**Technical data**

- minimum operating pressure 2.5 bar
- maximum operating pressure 5 bar
- optimal recommended pressure 3 bar
- thermostatic mixer inlet G3/4"
- outlet G3/4"

**CPU technical data**

- voltage supply 220 Vac
- frequency 50 HZ
- electric draw 220 Vac min. 10mA / max. 300 mA
- max power 48W
- protection degree: IP56

Power supply to GLASSPAD and ceiling shower is low voltage 12Vcc SELV coming from an external transformer.

**Ambient condition**

- humidity 80%
- maximum temperature: 55°C

**Technical data GLASSPAD**

- power supply 12V cc / 5V cc
- max power. 200 mA (12V cc)
- protection degree: IPX6

**Technical data LED RGB:**

- electric draw 800mA (12V cc)

Spray jet  
150 cm silicon flexible hose ø 35mm laminar jet  
**Stainelss steel 316L**

03Q Acciaio spazzolato - Brushed steel € 1.400,00

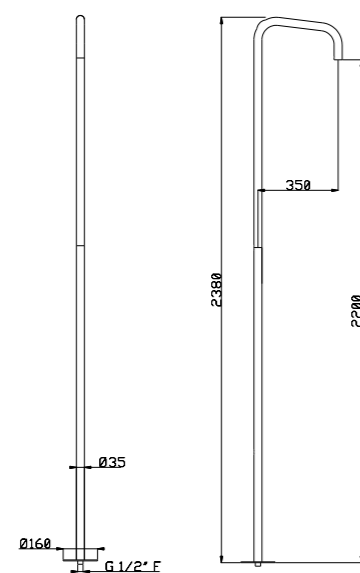

**Colonna doccia freestanding ø 35 mm senza miscelatore**  
Free standing shower column ø 35 mm without mixer

Art. CL029 E

Monoacqua  
Sistema di fissaggio e alimentazione a terra  
Getto spray  
Da abbinare a miscelatore remoto RU601E  
**Acciaio inox 316L**

Single water jet  
Freestanding installation and water inlet from floor - matching with remote mixer RU601E  
Spray jet  
**Stainless steel 316L**

Disponibile da maggio 2019  
Available from May 2019

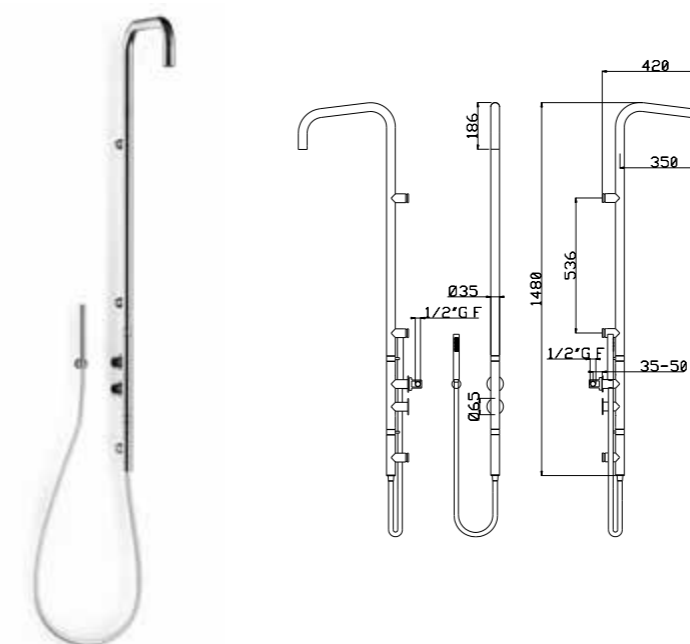

03Q Acciaio spazzolato - Brushed steel € 1.300,00

**Colonna doccia incasso ø 35 mm**  
Shower column ø 35 mm

Art. CL023 E

Corpo incasso 2 entrate da 1/2"  
2 miscelatori progressivi  
Getto spray  
Flessibile PVC 150 cm  
Doccetta tonda acciaio inox 316L  
**Acciaio inox 316L**

Concealed part 2 inlet 1/2"  
2 Progressive mixer  
Spray jet  
150 cm PVC flexible hose  
Round handshower  
**Stainelss steel 316L**

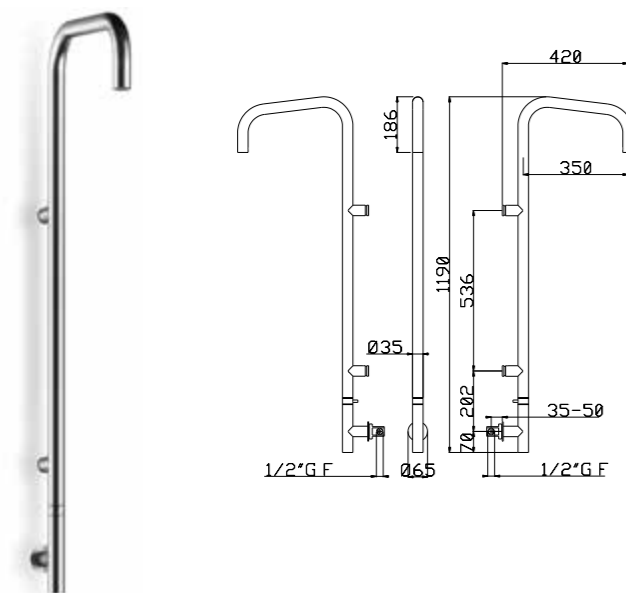

03Q Acciaio spazzolato - Brushed steel € 1.400,00

**Colonna doccia incasso ø 35 mm**  
Shower column ø 35 mm

Art. CL020 E

Corpo incasso 2 entrate da 1/2"  
1 miscelatore progressivo  
Getto spray  
**Acciaio inox 316L**

Concealed part 2 inlet 1/2"  
1 progressive mixer  
Spray jet  
**Stainelss steel 316L**

**03Q** Acciaio spazzolato - Brushed steel € 920,00

**Kit doccia con miscelatore**  
Shower kit with mxer

Art. KT041 E

Miscelatore doccia incasso meccanico  
Soffione a parete getto spray  
**Acciaio inox 316L**

Mixer  
Shower head spray  
**Stainles steel 316L**

Art. SF120 E

**Soffione incasso a controsoffitto 850x540 mm**  
False ceiling shower head 850x540 mm

**Art. SF110 B**

4 Funzioni: pioggia / doppia cascata / nebulizzazione / colonna d'acqua  
Ingressi acqua da 1/2"  
Con pulsantiera per gestione luci  
Telaio di sostegno in acciaio inox incluso  
Necessario installare miscelatore a 4 uscite  
Impianto audio con 2 altoparlanti 150 watt  
4 Led RGB

4 Jets: rain / double waterfall / mist / laminar  
1/2" Water inlet  
With remote control light switch  
Stainless steel support frame included  
Must be matched with mixer with 4 outlet  
Sound system with 2 speakers 150 watts Bluetooth  
4 RGB Led

<b>02Q</b>	Acciaio lucido - Mirror steel	€ 3.980,00
<b>03Q</b>	Acciaio spazzolato - Brushed steel	€ 4.776,00

**Art. SF110 D**

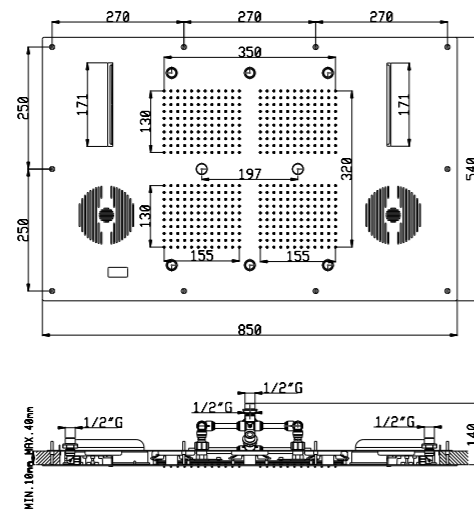

4 Funzioni: pioggia / doppia cascata / nebulizzazione / colonna d'acqua  
Ingressi acqua da 1/2"  
Necessaria installazione interruttore on/off esterno al box doccia per accensione luci  
Telaio di sostegno in acciaio inox incluso  
Necessario installare miscelatore a 4 uscite  
Impianto audio con 2 altoparlanti 150 watt  
4 Led RGB

4 Jets: rain / double waterfall / mist / laminar  
1/2" Water inlet  
Control key for switch on/off light required, installation outside shower cabin  
Stainless steel support frame included  
Must be matched with mixer with 4 outlet  
Sound system with 2 speakers 150 watts Bluetooth  
4 RGB Led

<b>02Q</b>	Acciaio lucido - Mirror steel	€ 3.780,00

## PANNELLO DOCCIA SHOWER PANEL

Strisce led e getti nebulizzati si mescolano per sorprendere con curve, fantasie e materiali inediti. Un nuovo linguaggio progettuale, nuovi effetti luminosi, mix di finiture abbinati per creare prodotti dallo stile unico.

Led stripes and mist spray are mixed to surprise with curves, fantasies and new materials.

A new design language, new light effects and different finishing are combined together to create unique style products.

False ceiling shower head 550x400 mm

Art. SF022 A

2 funzioni: pioggia/cascata  
Ingressi acqua da 1/2"  
Telaio di sostegno in acciaio inox incluso  
Necessaria installazione miscelatore 2 vie

2 jets: rainfall/cascade  
1/2" water inlet  
Stainless steel support frame included  
Must be matched with 2 ways mixer

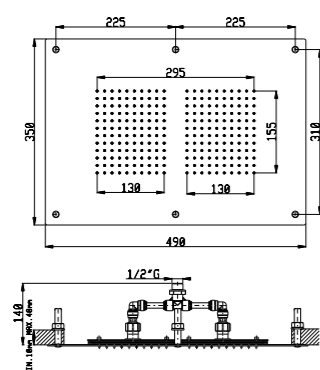

<b>02Q</b>	Acciaio lucido - Mirror steel	€ 580,00
<b>03Q</b>	Acciaio spazzolato - Brushed steel	€ 696,00
<b>04Q</b>	Bianco opaco - Matt white	€ 754,00
<b>05Q</b>	Nero opaco - Matt black	€ 754,00
<b>06Q</b>	Oro - Gold	€ 812,00

**Soffione a incasso a controsoffitto 490x350 mm**  
False ceiling shower head 490x350 mm

Art. SF023 A

Mono getto: pioggia  
Ingresso acqua da 1/2"

Rainfall  
1/2" water inlet

<b>02Q</b>	Acciaio lucido - Mirror steel	€ 570,00
<b>03Q</b>	Acciaio spazzolato - Brushed steel	€ 684,00
<b>04Q</b>	Bianco opaco - Matt white	€ 741,00
<b>05Q</b>	Nero opaco - Matt black	€ 741,00

Techno

**QUADRATO – ELEGANZA ALLO STATO PURO  
SQUARE – PURE ELEGANCE**

Linee decise e pulite che conquistano.  
Superfici piane e spigoli, rigidità stilistica  
combinata al dinamismo dell'acqua.

Sharp and clean lines that conquer.  
Flat surfaces and edges, stylistic rigidity  
combined with the dynamism of water.

## INFORMAZIONI TECNICHE TECHNICAL INFORMATION

### Dati tecnici generali per l'impianto idraulico

Pressione minima di esercizio: 1,5 bar

Pressione di esercizio: campo di impiego ottimale consigliato 2,5 - 4 bar

Pressione massima di esercizio: 5 bar

(Per pressioni idrauliche superiori si consiglia l'utilizzo di un riduttore di pressione)

Temperatura massima di esercizio: 65 C°

**I soffioni a parete sono dotati di limitatore di portata 12 lt/min (ove possibile).**

### Funzionamento minimo dei soffioni ad incasso:

Getto a pioggia: 16 lt/min. - 1,5 bar

Cascata singola: 10 lt/min. - 2 bar

Doppia cascata: 14 lt/min. - 2 bar

### Funzionamento ottimale dei soffioni ad incasso:

Getto a pioggia: 18 lt/min. - 2,5 bar

Cascata singola: 14 lt/min. - 2,5 bar

Doppia cascata: 17 lt/min. - 2,5 bar

### Technical informations for the hydraulic system

Minimum operating pressure: 1,5 bar

Operating Pressure: Optimal recommended use 2,5- 4 bar

Maximum operating pressure: 5 bar

(for higher hydraulic pressure it is recommended a pressure reducer)

Maximum operating temperature: 65 C°

**Wall mount shower heads are equipped with a 12 l/m flow rate limiter (where possible).**

### Minimum supply required for false ceiling shower heads:

Rain function: 16 l/m - 1,5 bar

Cascade function: 10 l/m - 2 bar

Double cascade function: 14 l/m - 2 bar

### Optimal supply for false ceiling shower heads:

Rain function: 18 l/m - 2,5 bar

Cascade function: 14 l/m - 2,5 bar

Double cascade function: 17 l/m - 2,5 bar

## CARATTERISTICHE ELETTRICHE

Le componenti elettriche ed elettroniche dei nostri soffioni sono a norma CE - RoHS.

Le luci LED dei soffioni RGB hanno una potenza di 3W 12V.

Le luci bianche dei soffioni hanno una potenza di 1W 12V.

Il tempo di passaggio da un colore all'altro nel loop automatico è di circa 8 secondi.

La **pulsantiera** ad incasso permette di accendere, spegnere e selezionare i vari colori delle luci RGB.

I soffioni con sistema **Bluetooth** sono compatibili con tutti i dispositivi mobili in commercio.

Tutti i nostri soffioni con luci a LED o luci bianche hanno in dotazione il trasformatore di corrente da 220V a 12V (vedi zona di sicurezza per una corretta installazione pag.344).

### Centraline per luci led RGB:

Input: 200 / 220 VAc  
Output: 4,5V 350mA/Chanel  
Frequenza: 50-60 Hz  
Potenza massima: 15W  
Grado di protezione: SELV

### Centralina Bluetooth:

Input: 12Vcc  
Output: 12V 10W max

### Alimentatore per Bluetooth:

Input: 100 / 240 VAc  
Output: 12V  
Frequenza: 5060- Hz  
Grado di protezione: SELV IP67

### Singolo Led RGB:

Potenza massima: 3W  
Luminosità Rosso: 36 - 42 lm  
Luminosità Verde: 70 - 82 lm  
Luminosità Blu: 15 - 18 lm

### Led Bianchi (fuori produzione 2019):

Potenza massima: 3W  
Colore: Bianco Freddo  
Gradazione: 4500 - 5650 k

### Strisce Led Blu (Colonna SWING):

Potenza massima: 4.8W  
Vtaggio: 12V

### Strisce Led RGB (Lampade NINFEEA E MODULA):

Potenza massima: 14.4W/m  
Luminosità: 24-26 lm  
Numero Led: 60 led/m  
Vtaggio: 12V

### Strisce Led bianche (Lampade NINFEEA):

Potenza massima: 10W/m  
Colore: Bianco caldo  
Gradazione: 2800 - 3000 k  
Vtaggio: 12V

## ELECTRIC FEATURES

Electrical and electronical equipments meet CE-RoHS standards.

RGB LED power consumption: 3 W 12 V

WHITE LED power consumption: 1 W 12 V

Colours variations time Automatic loop: 8 seconds

**The remote controller** allow to switch ON/OFF the LED lights and selection of colours on RGB LED.

Our false ceiling shower heads equipped with **Bluetooth** system are compatible with all mobile devices.

RGB and white LED shower heads are provided with 220v-12v current transformer (see safety area for a proper installation pag.344).

### CPU for led lights rgb:

Input: 200 / 220 VAc  
Output: 4,5V 350mA/Chanel  
Frequency: 50-60 Hz  
Max power: 15W  
Protection rate: SELV

### Bluetooth CPU:

Input: 12Vcc  
Output: 12V 10W max

### Bluetooth Transformer:

Input: 100 / 240 VAc  
Output: 12V  
Frequency: 5060- Hz  
Protection rate: SELV IP67

### Single Led RGB:

MAX power: 3W  
Red lighthness: 36 - 42 lm  
Green lighthness: 70 - 82 lm  
Blue lighthness: 15 - 18 lm

### White LED (out of production in 2019):

MAX power: 3W  
Colours: Cold White  
Tone: 4500 - 5650 k

### BLued LED stripes (SWING panel):

MAX power: 4.8W  
Voltage: 12V

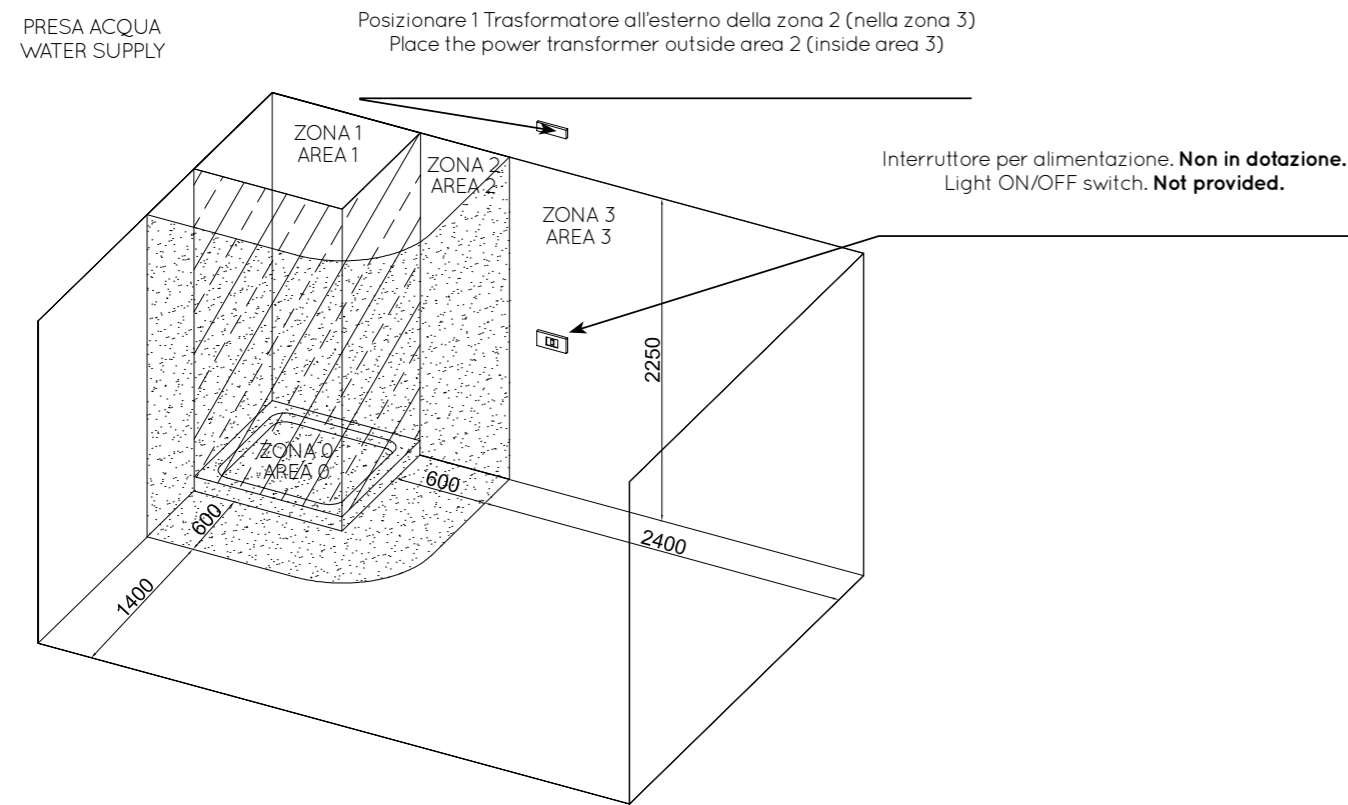

### RGB LED stripes (NINFEEA AND MODULA lights):

MAX power: 14.4W/m  
Lightness: 24-26 lm  
Led number: 60 led/m  
Voltage: 12V

### White LED stripes (NINFEEA lights):

MAX power: 10W/m  
Colors: Hot white  
Tone: 2800 - 3000 k  
Voltage: 12V

## ZONA DI SICUREZZA SAFETY AREA

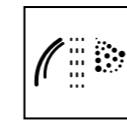

Per tutte le versioni dei soffioni è necessaria l'installazione di un interruttore ON/OFF sull'alimentazione del trasformatore.

All false ceiling shower heads require installation of control key for switch ON/OFF lights on transformer power supply.

! All'interno delle zone  
ZONA 0 - ZONA 1 - ZONA 2  
NON DEVE ESSERE MAI PRESENTE LA TENSIONE 220V

NEVER USE 220 VOLTAGE INSIDE AREAS 0 - 1 - 2

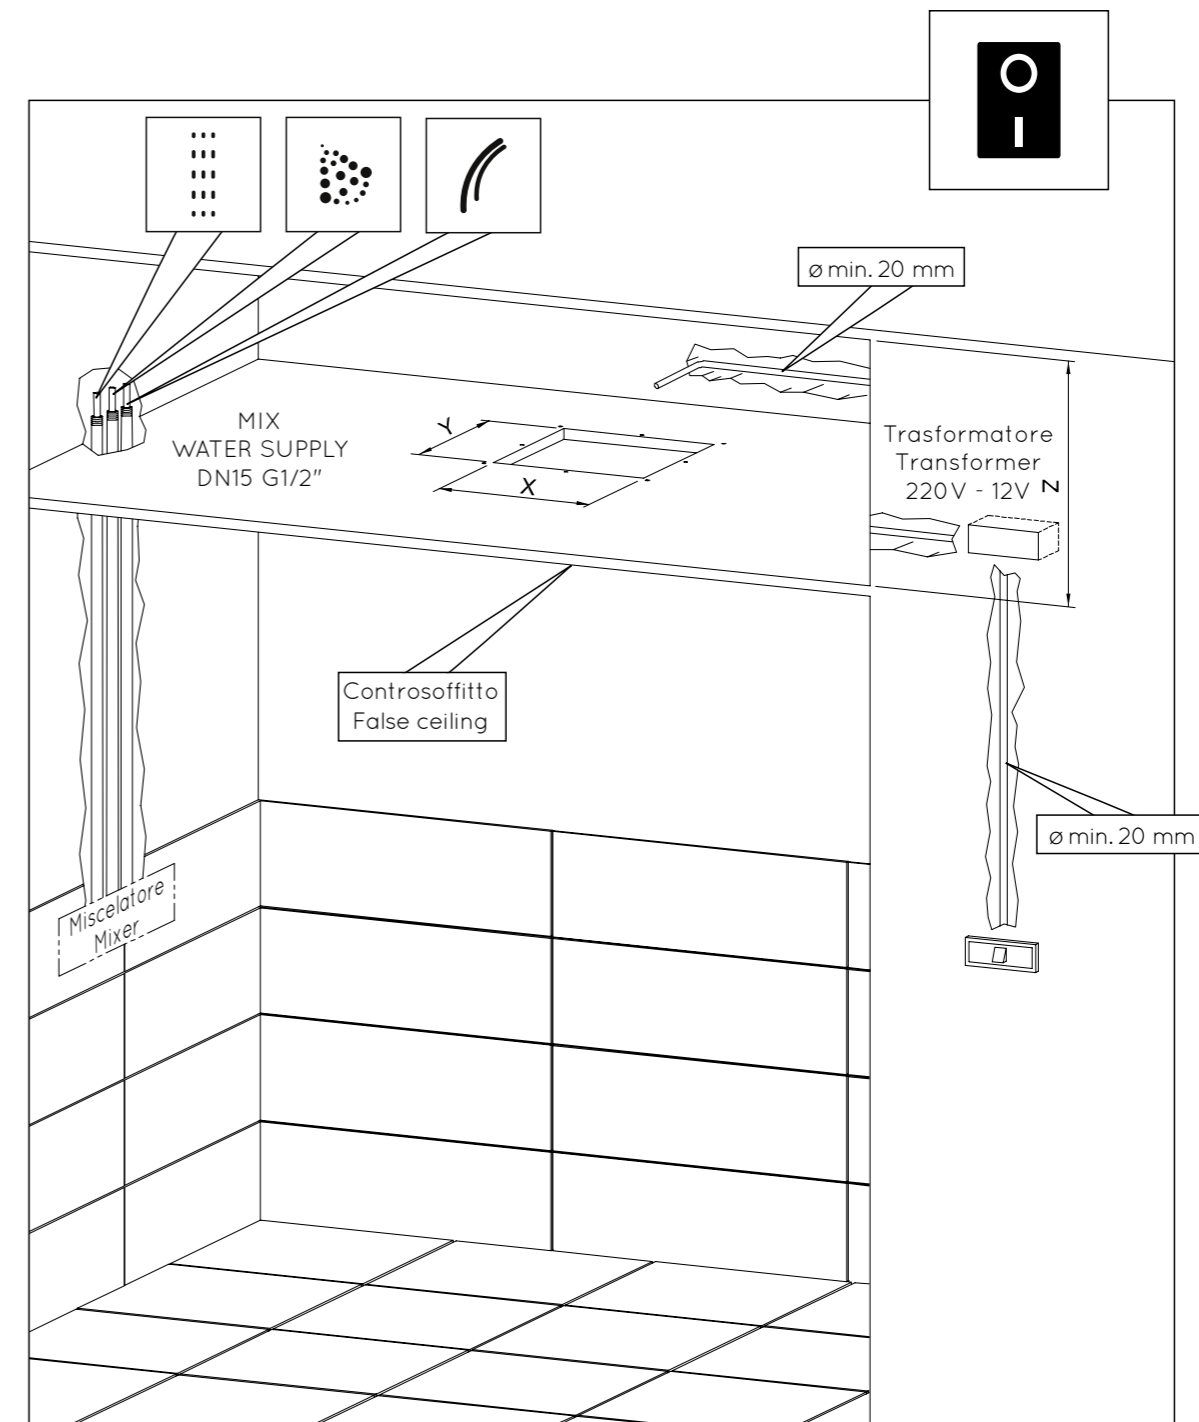

## ESEMPIO SCHEMA IMPIANTO IDRAULICO-ELETTRICO HYDRAULIC-ELECTRIC SYSTEM LAYOUT EXAMPLE

## CONDIZIONI DI GARANZIA AQUAelite

Gentile Cliente, la ringraziamo per aver scelto un prodotto AQUAelite. I prodotti di Anpa Srl con il marchio AQUAelite sono garantiti per difetti di fabbricazione per 2 anni dalla data del documento fiscale comprovante l'acquisto.

In caso di attestato difetto di fabbricazione Anpa Srl provvederà a suo giudizio alla riparazione o alla sostituzione gratuita dell'articolo. Ricordiamo che la garanzia non copre i danni causati da: installazione non conforme, negligenza, utilizzo anomalo o inadeguato, errata manutenzione, la normale usura, l'impiego di prodotti di pulizia non adeguati, danni causati da deposito di calcare e impurità, gelo, parti estranee nelle condutture. Le richieste di sostituzione in garanzia dovranno essere presentate in forma scritta presentando un documento di acquisto e rendendo disponibile il prodotto difettoso per ritiro e controllo. La garanzia non copre in nessun caso i costi di montaggio, smontaggio del prodotto, interventi tecnici di personale specializzato, nonché gli oneri per la sospensione di utilizzo del prodotto.

## CONDIZIONI DI VENDITA ILLUSTRAZIONI E DESCRIZIONI PRODOTTI

Le illustrazioni, le descrizioni e i disegni tecnici contenuti nel presente listino e nei cataloghi non comportano obbligo di fedele esecuzione. Dati tecnici e misure sono da considerarsi indicative e soggetti a modifiche senza preavviso. L'azienda si riserva in qualunque momento il diritto di modificare e/o sopprimere gli articoli del presente listino e dei cataloghi.

## ORDINI

Gli ordini devono essere trasmessi per iscritto alla Anpa S.r.l. e se pervenuti agli agenti saranno vincolanti solamente a decorrere dalla nostra specifica approvazione.

## TERMINI DI CONSEGNA

I termini di consegna sono calcolati in giorni lavorativi e hanno un valore sempre indicativo e mai tassativo.

Ritardi di consegna non daranno diritto al cliente di annullare, ridurre l'ordine né a domande di addebito o penali e non legittimeranno richieste di riduzioni del prezzo e/o differimento dei termini di pagamento.

## MODALITÀ DI TRASPORTO

La spedizione verrà effettuata nel modo ritenuto più opportuno da AQUAelite e viaggia sempre a rischio e pericolo dell'acquirente. Il cliente è tenuto alla verifica della merce, del numero colli, dello stato dell'imballo all'atto della consegna. In caso di manomissioni o danneggiamento dell'imballo il cliente è tenuto alla riserva e contestazione al vettore.

## PREZZI

I prezzi del presente listino sono espressi in Euro e si intendono IVA esclusa e possono essere soggetti a variazioni senza preavviso.

## PAGAMENTI

I pagamenti devono essere effettuati unicamente ad Anpa S.r.l. nei termini pattuiti.

Il mancato e/o ritardato pagamento autorizza Anpa S.r.l. a sospendere, a suo insindacabile giudizio, l'evasione degli ordini in corso o a rifiutare nuovi ordini fino al pagamento integrale del dovuto. L'inosservanza dei termini di pagamento comporterà l'applicazione di un interesse di mora determinato ai sensi dell'art. 5 D. Lgs 231/2002 e successive modificazioni ed integrazioni.

L'esistenza di contestazioni non autorizza i clienti a sospendere il pagamento.

## RECLAMI

I reclami devono essere trasmessi per iscritto mezzo lettera o raccomandata entro 8 giorni dalla data di ricevimento merce.

## RISERVATEZZA

Il cliente è responsabile di tutti i dati di identificazione forniti (ragione sociale, sede, P. IVA, codice fiscale) in base alla legislazione vigente.

**GIURISDIZIONE E LEGGE APPLICABILE**  
La legge applicabile è

esclusivamente la legge italiana, con espressa esclusione delle altre leggi nazionali e/o dalle convenzioni internazionali. In caso di controversie il foro competente sarà quello di Milano.

## INDICAZIONI PER LA PULIZIA DEI PRODOTTI AQUAelite

Per preservare la qualità del prodotto AQUAelite si raccomanda di pulire le superfici in finitura esclusivamente con acqua e sapone neutro asciugandole con un panno morbido. Non utilizzare detergenti o detersivi abrasivi o contenenti alcool, acidi, candeggina, cloro, solventi chimici, spugne abrasive, paglie metalliche, etc. L'acqua contiene calcare in quantità variabili, il quale può depositarsi sulla superficie del prodotto formando macchie e depositi. E' possibile evitare la formazione di macchie di calcare pulendo ed asciugando il prodotto dopo ogni utilizzo. Per evitare la formazione di calcare sugli ugelli strofinarli periodicamente con un panno umido.

## AQUAelite GENERAL SALES CONDITIONS

Dear Customer, Thank you for having chosen an AQUAelite product. Anpa products under AQUAelite trademark are guaranteed against manufacturing defects for 2 years from the date of the document certifying the purchase. In case of a stated defective product Anpa Srl may choose in its sole discretion whether to repair or replace it.

We kindly remind you that the warranty does not cover damages caused by wrong installation of product, negligence, improper use or maintenance, normal wear, improper cleaning, damages caused by limestone deposit or sediments, cold, foreign material in the piping. Complaints must be sent in written form together with original invoice of purchase. The defective product must be at our disposal for pick up and control.

The warranty does not cover expenses of installation/disassembly of the product, technical intervention or interruption of use of the product.

## GENERAL SALES CONDITIONS PRODUCTS IMAGES AND DESCRIPTIONS

Images, descriptions and technical drawings included in this price list and in others catalogues do not constitute an obligation of an accurate realization of the product. Technical details and dimensions are to be used as a guide and may be modified without notice. The manufacturer deserves the right to modify and/or delete products included in this price list and others catalogue at any time without prior notice.

## ORDERS

All orders must be sent to Anpa S.r.l. in writing and if they have been carried out to agents they will

be binding only upon our specific approval.

## DELIVERY TERMS

Delivery terms are calculated in working days and are always indicative and are not binding. Delays in delivery do not give the customer right to cancel or reduce the order nor to ask for a debit or penalty and do not authorize price reductions requests and/or deferred payments.

## TRANSPORT

The shipment is carried out in the most appropriate way for AQUAelite upon risk and danger of the purchaser. The purchaser is obliged to check the goods, the number of parcels, the condition of packaging at receipt and has to report possible damages of packaging and notifications directly to the forwarding agent.

## PRICES

The prices indicated in this price list are expressed in Euro and do not include V.A.T. and may be modified without prior notice.

## PAYMENTS

Payments should be carried out to Anpa S.r.l. office only. The missed or delayed payment authorizes Anpa S.r.l. at its sole discretion to suspend the execution of current orders and to refuse new orders until full payment of the debt. The non-observance of the payment terms will involve the charge of interests on delayed payments at a rate according to art. 5 D.LGS 231/02 and subsequent amendments and additions. The existence of complaints does not authorize the purchaser to suspend the payment.

## COMPLAINTS

Complaints must be sent in writing by letter or registered letter within 8 days after receipt of the goods.

## CONFIDENTIALITY OBLIGATIONS

The purchaser is the sole liable for the transmitted data (company name, registered office, VAT number, Tax Code) according to current legislation.

## JURISDICTION AND APPLICABLE LAW

The applicable law is exclusively the Italian law with express exclusion of others national laws and international conventions. In case of disputes the court of Milan has the sole jurisdiction.

## AQUAelite CLEANING INSTRUCTIONS

In order to maintain the quality of AQUAelite products, surfaces must be cleaned exclusively using soapy water and dried with a soft cloth. Never use detergents, powders or creams containing alcohol, acid, bleach, solvents, chemical agents, metal or abrasive sponges, etc. Water contains limestone in variable quantity, which can remain on the surfaces leaving spots and forming deposits. In order to avoid limestone deposits clean and dry the product immediately after use. It is possible to prevent limestone deposits on nozzles by regularly rubbing with a damp cloth.
