OCEANO 80

Iniziare la giornata sempre
con un desiderio. lo l'ho realizzato.
Mi piace la sua figura, perché le curve
sono più attraenti degli spigoli.
E la sua linea candida sa sempre come
ritagliarsi un ruolo da protagonista,
con classe.

Begin the day with a desire.
I have made it come true.
I like its shape, because curves are more
attractive than angles.
And its pure lines always gain it a
protagonist role with class.

Empezar el día siempre con un deseo.
Yo lo he realizado.
Me gusta su figura, ya que las curvas
atraen más que las aristas.
Y su línea cándida siempre sabe como
inventarse un papel de protagonista,
con carácter.

OCEANO 70

La sostenibile leggerezza della ceramica.
Quando il design trasforma i sogni in realtà.
Silhouette seducenti e forme morbide
raccontano non solo funzioni, ma anche concetti.
Profili minimali installati a filo muro per sedute
sospese che sembrano sfidare la gravità.

The sustainable lightness of ceramics.
When design changes dreams into reality.
Seductive silhouettes and smooth shapes tell
not only of functions but also of concepts.
Minimal profiles installed flush to the wall for
suspended seats that seem to challenge gravity.

La sostenible ligereza de la cerámica.
Cuando el diseño cambia los sueños en
realidad. Siluetas seductivas y formas
indefinidas que cuentan no sólo funciones sino
también conceptos.
Perfiles minimalistas a nivel de la pared para
asientos que parecen desafiar la gravedad.

Red hot. passion

Quella che nel '500 Tiziano ritraeva come la Venere di Urbino, oggi spenderebbe una fortuna in creme anticellulite. La bellezza deve essere contemporanea.

Clonazione impossibile.

C'è un mondo tutto uguale

Adesso non hai più scuse

non sono ancora belle.

HERA

Gli stili di vita cambiano. E il concept del bagno con loro per ideare tendenze libere dai formalismi: la salle de bains si proietta nel resto della casa, esibendo, con discrezione, la propria eleganza. In sintonia con il proprio modo di vivere, il regno delle acque diventa l'ambiente dove rigenerarsi, complici progetti su misura del sé. Volumi compatti e accostamenti raffinati di materiali sapientemente selezionati sfociano in un'espressività d'avanguardia e in soluzioni ergonomicamente studiate, connotate da un design "trasgressivo".

Lifestyles change. And the bathroom concept with them in order to conceive trends free from formalisms: la salle de bains projects itself in the rest of the house, exhibiting, with discretion, its elegance. In harmony with your own way of living, the reign of water becomes the place in which to regenerate oneself, thanks to projects made to measure.

Compact volumes and refined material combinations wisely selected, develop into avanguard expressiveness and in solutions ergonomically studied, characterized by a "transgressive" design.

Los estilos de vida cambian. Y la concepción del baño cambia con éstos para idear tendencias sin formalismos: el cuarto de baño se proyecta en el resto de la casa, exhibiendo, con discreción, su elegancia. En sinergia con tu propio modo de vivir, el reino de las aguas se convierte en lugar regenerador, con la complicidad de proyectos que te corresponden perfectamente.

Volumenes compactos y acercamientos refinados de materiales elegidos con esmero desembocan en una expresividad de vanguardia y en soluciones ergonómicamente estudiadas, caracterizadas por un diseño "transgresivo".

Facciamo di tutto per non passare inosservati. Anche voi, originalissimi nelle forme. Semisospesi, i sanitari Hera facilitano le operazioni legate all'igiene. Due risoluzioni di colore permettono di uniformare la cifra stilistica, abbinando cromaticamente il coprivaso e la punta del cono.

We do our utmost in order not to pass unnoticed. You too, very original in shape. Half wall hung, the Hera sanitary ware simplifies the operations connected to hygiene. Two colour solutions allow us to unify style, chromatically combining the seat cover with the head of the cone support.

Dispuestos a todo con tal de no pasar inadvertidos. Vosotros también, originalísimos en las formas. Semi suspendidos, los sanitarios Hera agilizan las operaciones de limpieza. Dos soluciones de color permiten dar uniformidad estilística combinando cromáticamente el asiento y la base del cono.

Hera è una linea basata sul valore dell'oggetto che riflette uno stile di vita: la cura dei dettagli, le forme importanti ma sobrie ed infinite idee per progettare il bagno. Disponibili anche nella versione a terra, i sanitari mantengono intatta tutta la loro capacità del bacino e sono abbinabili flessibilmente con gli altri lavabi della collezione.

Hera is a range based on the value of the object which reflects a life style: the care for detail, the important yet sober shapes and neverending ideas in bathroom design. Also available in the back to wall version, the sanitary ware maintains intact all its basin capacity and can be combined with the other washbasins of the collection.

Hera es una línea que se centra en el valor del objeto que refleja un estilo de vida: el cuidado hacia los detalles, las formas importantes pero sobrias, e infinitas ideas para proyectar el baño. Disponibles también en el modelo al suelo, los sanitarios mantienen intacta toda la capacidad de su seno y pueden combinarse flexiblemente con los demás lavabos de la colección.

HERA CENTER Citazioni da un'architettura ipermoderna. E il lavabo da elemento strutturale, diventa presenza scenografica.

Effetto Hera anche se gli ambienti non sono maxi. Le soluzioni salvaspazio mantengono inalterato il comfort e garantiscono funzionalità.

Perché rinunciare quando ti posso avere?

The Hera effect works even if the room is not spacious. The space saver solutions maintain unchanged comfort and guarantee functionality.

Why then do without you, if I can have you?

Efecto Hera incluso cuando no se trata de entornos espaciosos. Las soluciones salva espacio mantienen inalterado el confort y garantizan funcionalidad.

¿Por qué renunciar cuando puedo contar contigo?

ELLE

Con Elle ci siamo superati, creando qualcosa che nessuno, fino ad oggi, era riuscito a fare. Piani dalle dimensioni così importanti che, grazie a soluzioni tecniche, ancoriamo alle pareti in tutta sicurezza. Piastre, fuori dall'ordinario, anche per la scelta del materiale con cui sono realizzate: una ceramica di ottime qualità capace di assicurare ampi margini di igiene. Elle è fatto di geometrie pulite, sobri accostamenti, libertà compositiva, versatilità: intorno alle diverse basi si avvicendano Kali, Tecno e Neo, lavabi dalle forme e misure diverse, personalizzabili anche nel colore: white, yellow, cherry, grey, black. Non solo: Elle è uno strumento di progettazione completo, potenzialmente estendibile all'infinito. Tali caratteristiche rendono la collezione ideale per fornire soluzioni anche per spazi pubblici.

We have really surpassed ourselves with Elle, creating something that no one else has ever done before. Counters of such considerable size that, thanks to technical solutions, we can securely anchor to the wall. Counters which are out of the ordinary thanks, among other things, to the quality of the material used: top quality ceramic capable of ensuring the very highest levels of hygiene. Elle comprises clear-cut shapes, low-key combinations, freedom of arrangement and versatility: the various bases are accompanied by Kali, Tecno and Neo, washbasins in a range of shapes and sizes, which can be customised in white, yellow, cherry, grey, black. But there's more: Elle is a complete design tool with infinite potential for extension. These features make it the ideal collection for public bathrooms too.

Con Elle nos hemos superado, creando algo que nadie, hasta hoy, había conseguido hacer. Planos con dimensiones tan importantes que, gracias a soluciones técnicas, anclamos a las paredes con completa seguridad. Placas, fuera de lo común, también para la elección del material con el que se realizaron: una cerámica de óptima calidad que asegura amplios márgenes de higiene. Elle destaca por sus geometrías límpidas, combinaciones sobrias, libertad de composición, versatilidad. Alrededor de las diversas bases se alternan Kali, Tecno y Neo, lavabos con formas y medidas diferentes, que se pueden personalizar también en el color: white, yellow, cherry, grey, black. Y lo que es más: Elle es un instrumento de proyección completo, potencialmente extensible al infinito. Estas características hacen que la colección sea ideal también para ofrecer soluciones a los espacios públicos.

...Sono stufo di uno stile senza anima. E anche nella sala da bagno voglio pezzi forti capaci di comunicare il mio mondo.

...una cromia inedita, lucidissima e glamour.
Perché rifugiamo gli ambienti anonimi.

...a brand new colour combination, glossy and
glamorous. No more anonymous environments.

...un cromatismo inédito, lúcido y fascinante.
Porque evitamos los ambientes anónimos.

Per il nostro bagno abbiamo scelto un blocco attrezzato con Tecno, in versione semicolonna.

Elegante minimalismo fatto di eccezioni, grafismi leggeri, invenzioni guidate dalla propria personalità.

Elegant minimalism made up of exceptions, light graphics, inventions inspired by the individual personality.

EASY SMALL

Lo stile nei piccoli spazi. E' Easy Small.
Il lavabo compatto, funzionale, innovativo è
presentato in un'ampia gamma di cromie diverse.
Composto da un unico blocco di ceramica non
rinuncia al comfort con il ripiano portaoggetti e i
portasalviette laterali in acciaio. Così concepito,
Easy Small può trovare un'originale collocazione
anche in ambienti diversi da quelli più legati alla
privacy. Easy Small è la rivisitazione in chiave
moderna dell'antico catino.
Le sue dimensioni lo rendono ideale anche nel
settore del contract.

For style in small spaces. It's Easy Small.
The compact, functional, innovative washbasin is
presented in a wide range of colours. Composed
of a single ceramic block, it is not lacking in
comfort with its shelf and lateral steel towel bars.
So conceived, Easy Small is able to find an original
place for itself, even in settings which are not
usually those associated with the privacy
of the bathroom. Easy Small is the revisitation of the old
basin in a modern key.
Its dimensions also make it ideal in the contract
sector.

El estilo en los espacios pequeños.
Esto es Easy Small.
El lavabo compacto, funcional, innovador, se
presenta en una amplia gama de colores

Constituido por un bloque único de cerámica no
quiere renunciar al confort y se dota de la repisa
para objetos y de los toalleros laterales en acero.
Así concebido Easy Small puede encontrar una
original colocación también en ambientes
diferentes de los que normalmente se asocian a la
privacidad. Es el remake en sentido moderno de la
antigua palangana.
Sus dimensiones lo hacen ideal incluso en el sector
del contract.
