# WOW TOUCH SHOWER

## informations techniques technical information

### ÉCRAN TACTILE TOUCH SCREEN

Commande murale de douche avec deux panneaux tactiles: le premier pour la régulation de la température avec mitigeur thermostatique; le deuxième pour sélectionner les fonctions d'eau avec inverseur électronique, réduction de débit d'eau ECO 9 litres par minute et contrôle Led RGB (si incluses).

Touchscreen shower controll with two panels: one for temperature regulation with thermostatic mixer; second one to select water functions with electronic diverter, ECO 9 liters flow reduction and RGB Leds controll (if included).

### MITIGEUR THERMOSTATIQUE ÉLECTRONIQUE ELECTRONIC THERMOSTATIC MIXER

Régulation précise de la température via icônes + et - avec variation de quelques degrés au moyen d'un moteur électronique, pour plus de confort.

Precise temperature regulation via + and - icons with variation of a few degrees thanks to electronic motor, for greater comfort.

### FONCTION ECO 9 ECO 9 FUNCTION

Possibilité d'activer le réducteur de pression pour réduire la puissance du débit d'eau du système à 9 litres par minute. Pour prolonger votre temps de détente sous la douche avec moins de consommation.

Possibility to activate flow reducer to limit system water supply at 9 litres/minute. To extend your relaxation time in the shower with lower consumption.

### DESIGN AVEC LUMIÈRES LED DESIGN WITH LED LIGHTS

Design épuré et élégant, avec deux panneaux tactiles en verre noir et rétroéclairage Led white avec projection au mur. Installation au fleur du mur avec peu d'espace requis et un nettoyage facile des surfaces.

Clean and elegant design, with two black glass panels and white Led backlighting. Flush-to-wall installation for easy cleaning of surfaces.

### INVERSEUR ÉLECTRONIQUE ELECTRONIC DIVERTER

Contrôle des fonctions d'eau avec des symboles et possibilité d'ouvrir en même temps plusieurs jets d'eau.

Control of water functions via icons, with the possibility of opening at the same time more water jets.

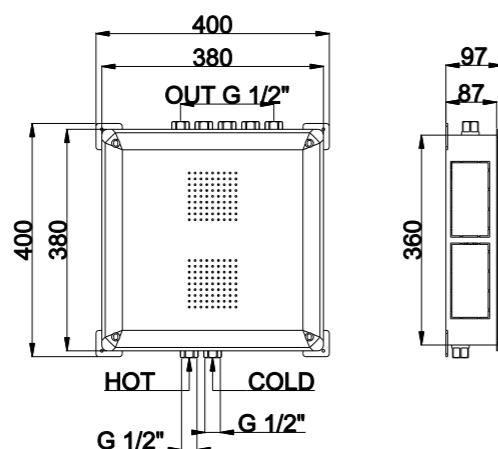

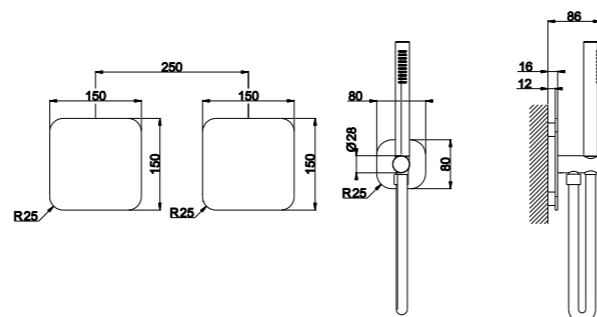

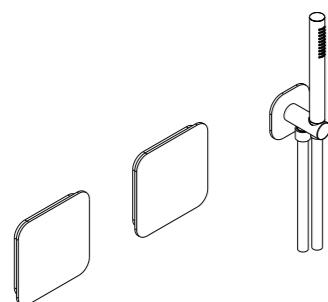

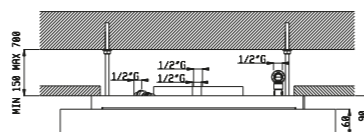

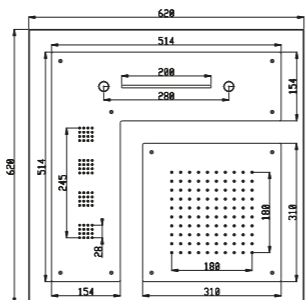

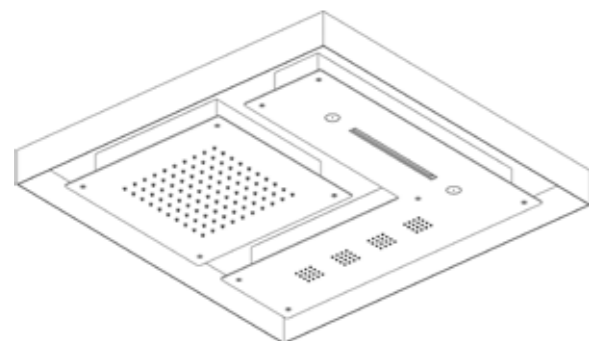

### CHROMOTHÉRAPIE CHROMOTHERAPY

Contrôle des lumières Led RGB du plafond de douche (si inclus) avec sélection de différentes couleurs ou activation de la variation automatique..

Rainshower RGB Led lights control (if included) to select of different colors or activation of automatic variation.
